DEFINITION OF SEASONS:

Summer Season: The five OG&E Revenue Months of June through October.

Winter Season: The seven OG&E Revenue Months of November through May.

BEST BILL PROVISION: After the first year, the customer will automatically renew under this rate schedule unless the customer notifies the Company otherwise. At the end of the initial enrollment period, the customer's billing will be compared to their otherwise applicable tariff billing using actual usage for the entire period, and, if the amount actually paid is higher than what the customer would have paid under their otherwise applicable tariff, the customer will receive a credit on their bill equal to the difference between the amount actually paid and the amount that would have been paid under their otherwise applicable tariff. The Best Bill Provision will only be applied after the first full year of subscription to the tariff and will not be available in the ensuing years.

APPLICATION OF ENERGY COST RECOVERY (ECR): The ECR_{on} and ECR_{off} as defined in the ECR rider shall apply to the energy components within this tariff as follows: The ECR_{on} shall apply to all On-Peak kWh sales; and, the ECR_{off} shall apply to all Off-Peak and Winter Season kWh sales.

MINIMUM BILL: The minimum monthly bill shall be the Customer Charge.

RIDERS: Applicable Riders which adjust this Rate Schedule are listed in Rate Schedule No. RSR, Tables of Riders Applicable to Rate Schedules.

TAX FREE KWH: According to Arkansas Gross Receipts Tax Rules GR-6(B.2), "a. The sale of the first 500 kilowatt hours of electricity per month to each residential customer whose household income does not exceed Twelve Thousand Dollars (\$12,000) per year shall be exempt from the gross receipts tax and all other State excise taxes which would otherwise be levied thereon. b. The total franchise taxes billed to each residential customer whose household income does not exceed Twelve Thousand Dollars (\$12,000) per year shall be exempt from the gross receipts tax and all other State excise taxes which would otherwise be levied thereon."

Under the Residential Time-of-Use tariff, the first 500 kWh that will be Tax Free for households that qualify under the Arkansas Gross Receipts Tax Rules given above, will be calculated based on the percentage of kWh used during the On-Peak and Off-Peak hours from the total kWh used during each month the customer is qualified for. Example: customer uses a total 800 kWh, 300 kWh On-Peak or 37.5% and 500 kWh Off-Peak or 62.5%. The 500 Tax Free kWh would be 37.5% from the On-Peak kWh and 62.5% from the Off-Peak kWh.

TERM AND SERVICE TERMINATION: The initial subscription term is for one year. After the initial subscription term, a customer will continue service under this tariff until another tariff is selected by giving 30 days notice to the Company. If the thirtieth day of the notice period does not fall on the last day of the billing month, service will continue under this tariff through the next billing period. If a customer terminates service under this tariff, the customer will not be eligible to receive service under this tariff for a period of twelve (12) revenue months from the termination date.
