

1. REBATE DETAILS.

- Rebate applies only to the upgrade of attic insulation.
- Rebates are limited to amount listed under the Insulation Information section of this form.
- Rebate will not exceed contractor invoice amount.
- Rebates are issued in the form of checks, not utility bill credits.
- Only one (1) rebate request per installation address.
- OG&E is not responsible for inaccurate information.
- Funding for this program is limited to funds' availability.

Qualifying attic insulation must have an invoice dated between January 1, 2024 and October 31, 2024. Completed rebate application and supporting documentation must be postmarked by October 31, 2024 to qualify for a 2024 rebate.

2. QUALIFYING CUSTOMERS.

- This program is available only to OG&E residential customers who own or rent a permanent foundation, single-family home.
- Multi-family structures do not qualify for this rebate.
- Program is available only to retrofit (existing) homes built prior to 2015 with electric air conditioning.
- Program excludes new home residential construction, garages, sheds, workshops and basements.

Alternate rebate recipient: Homeowner, landlord or non-OG&E account holder to receive rebate check, as authorized by OG&E Customer in the Alternate Rebate Recipient section of this form.

Qualifying rebate recipient, which is a business, must provide a company W-9 to receive rebate check in the company name.

3. QUALIFYING INSTALLATION.

- Attic insulation must be installed between conditioned (air-conditioned living space below ceiling) and unconditioned areas (attic) to qualify.
- All insulation must be installed by a professional insulation company, to the manufacturer's specifications, and meet all state and local codes and federal regulations.
- All insulation must be new materials and have R-value stated on the packaging material.
- Existing attic insulation must be less than 8 inches in depth or R-23. Note: If existing insulation was removed, the remaining R-value should be 0 or reflect the number of inches of the remaining insulation.
- Total finished attic insulation must be greater than or equal to 13" in depth or R-38.
