When a municipality, by ordinance, levies or imposes upon the Company privilege or franchise taxes, payments or fees (except ad valorem taxes) by or pursuant to an approved ordinance, the rates and charges set forth in the applicable Rate Schedules shall be increased by an amount sufficient to compensate the Company for any such additional taxes, fees or payments levied or imposed upon the Company, plus the additional expenses incurred by the Company for billing and collecting same.

The total amount of taxes, fees or payments levied or imposed upon the Company will be applied, on the basis of a percent, to each customer's regular monthly bill, and will be added and stated as a separate item on the bills of applicable customers receiving service from the Company within the corporate limits of the municipality exacting the said tax, fee or payment.
