

REBATE DETAILS

- Rebate applies only to OG&E Arkansas customers with an active residential account.
- Rebates are \$0.15/square foot for attic insulation and \$0.50/square foot for wall insulation.
- Rebate will not exceed contractor invoice amount.
- Rebates are issued in the form of checks, not utility bill credits.
- Only one (1) rebate request per service address.
- Rebate Application and Invoice must be received within 30 days of installation of insulation.
- OG&E is not responsible for inaccurate information.
- Funding for this program is limited to funds availability.

REBATE APPLICATION DETAILS

Qualifying insulation installation must have an invoice dated between January 1 and December 1, 2024.

A valid invoice includes the installation date, products purchased, quantity purchased, price and payment made in full. The insulation invoice must also specify all required information, including the customer name, address of installation, phone number, contractor name, business name, address and phone number. All information on the invoice must match the information on the rebate application or the application will not be processed. **Failure to complete all information may result in denial of rebate.**

DO NOT INCLUDE REBATE APPLICATION WITH YOUR OG&E ELECTRIC BILL.

OG&E reserves the right to inspect installations before issuing a rebate. If the residence does not have the qualifying material or work installed, the homeowner may be required to pay back the rebate and the contractor will be deemed ineligible to offer rebates to future customers. OG&E reserves the right to conduct random inspections to verify installation of the rebated equipment at the installation address listed on the form. OG&E reserves the right to amend or suspend this program without notice.

LIMITATIONS OF LIABILITY; INDEMNIFICATION

In no way shall Oklahoma Gas and Electric Company be liable for, and Customer hereby agrees to indemnify, defend and hold harmless Oklahoma Gas and Electric Company, its subsidiaries or affiliates, and their respective employees, Officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, mis-operation, or use of customer's installed materials and installations.

Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, by Oklahoma Gas and Electric Company, relieve the customer of exclusive responsibility for the Customer's systems. Specifically, Oklahoma Gas and Electric Company approval of the rebate application, payment of the rebate, or any Oklahoma Gas and Electric Company inspection of the qualifying materials and installations shall not be construed as confirming or endorsing the materials or installation or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the materials or installation.

Oklahoma Gas and Electric Company is not responsible for items lost or delayed in the mail, or any rebate delayed due to incomplete or incorrect information on the rebate application and/or Invoice.

Oklahoma Gas and Electric Company is not responsible for any taxes that may be imposed as a result of your receipt of any rebate.

QUALIFYING CUSTOMERS

- This program is available only to OG&E Arkansas customers who own or rent a permanent foundation single family home.
- Multi-family structures do not qualify for this rebate.
- Home must have functional central air conditioning.
- Program excludes new home residential construction, garages, sheds, workshops, basements, doors and homes without functional central air conditioning installed.

QUALIFYING INSTALLATION

- Attic insulation must be installed between conditioned (air conditioned living space below ceiling) and unconditioned areas (attic) to qualify.
- Wall insulation must be installed in the wall cavity between exterior wall and conditioned space to qualify.
- All insulation must be installed by a professional insulation company, to the manufacturer's specifications and meet all state and local codes and federal regulations.
- All insulation must be new materials and have R-value stated on the packaging material.
- Existing attic insulation must be less than 8 inches depth or R-23.
- Total finished attic insulation must be greater than 12 inches in depth or R-38.
- There must be no existing insulation in wall cavity to qualify.
- Total finished wall insulation must be R-13 or greater.
