## REBATE DETAILS

- Rebate applies only to OG&E customers with an active residential account.
- Rebates are limited to one (1) per home.
- Rebate will not exceed sales receipt amount.
- Rebates are issued in the form of checks, not utility bill credits.
- Only one (1) rebate request per service address.
- Rebate Application and copy of sales receipt showing retailer name, address, purchase date, price, proof of payment, product manufacturer and model, must be received within 30 days of purchase.
- OG&E is not responsible for inaccurate information.
- Funding for this program is limited to funds availability.

## REBATE APPLICATION DETAILS

Qualifying smart thermostats must have invoice dated between January 1, 2017, and December 31, 2017. Completed rebate application, invoice and copy of sales receipt showing retailer name, address, purchase date, price, proof of payment, product manufacturer and model, must be received within 30 days of purchase.

Rebates will be awarded on a first-come, first-served basis until the allocated program funds are depleted. First-come, first-served status will be determined by the date the rebate application is received by the program administrator.

**Failure to complete all information will result in denial of rebate.** OG&E reserves the right to amend or suspend this program without notice.

## DO NOT INCLUDE REBATE APPLICATION WITH YOUR OG&E ELECTRIC BILL.

OG&E reserves the right to conduct random inspections to verify installation of the rebated equipment at the installation address listed on the form. **OG&E reserves the right to inspect installations before issuing a rebate. If the residence does not have the qualifying material or work installed, the homeowner may be required to pay back the rebate and the contractor will be deemed ineligible to offer rebates to future customers.**

## LIMITATIONS OF LIABILITY; INDEMNIFICATION

In no way shall Oklahoma Gas and Electric Company be liable for, and Customer hereby agrees to indemnify, defend and hold harmless Oklahoma Gas and Electric Company, its subsidiaries or affiliates, and their respective employees, Officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, mis-operation, or use of customer's installed materials and installations.

Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, Oklahoma Gas and Electric Company, relieve the customer of exclusive responsibility for the Customer's systems. Specifically, Oklahoma Gas and Electric Company approval of the rebate application, payment of the rebate, or any Oklahoma Gas and Electric Company inspection of the qualifying materials and installations shall not be construed as confirming or endorsing the materials or installation or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the materials or installation.

Oklahoma Gas and Electric Company is not responsible for items lost or delayed in the mail, or any rebate delayed due to incomplete or incorrect information on the rebate application and/or invoice.

Oklahoma Gas and Electric Company is not responsible for any taxes that may be imposed as a result of your receipt of any rebate.

## QUALIFYING CUSTOMERS

- This program is available only to OG&E residential customers in Arkansas who own or rent a permanent foundation, single family home.
- Multi-family structures do not qualify for this rebate.
- To qualify as a smart thermostat, the unit installed should have the following capabilities and installation parameters:
  - Wifi enabled
  - Remote adjustment via smart phone or online
  - Automatic scheduling
  - Energy history
  - Occupancy sensing

## QUALIFYING INSTALLATION

Smart thermostats must be fully installed, operational and connected to the internet via Wifi prior to submitting a rebate application. Thermostat installation must conform to all applicable building, local and state codes, manufacturer specifications and requirements.
