

OG&E ARKANSAS COMMERCIAL ENERGY EFFICIENCY PROGRAMS PARTICIPATION AGREEMENT

OG&E Arkansas is proud to offer a variety of energy efficiency programs for our large commercial & industrial, schools and government, and small business customers. Along with expert technical and consulting assistance, we provide generous financial incentives to help you achieve your long-term energy goals.

Large Commercial & Industrial Program

As part of our Large Commercial & Industrial Program, we work with businesses to help them save energy and reduce operating costs. From lighting to compressed air retrofits, we'll identify the energy- saving measures that are best for your business.

Schools and Government Program

OG&E provides incentives for energy-efficient upgrades and retrofits to all educational and publicly funded facilities within our service territory. We'll help you secure valuable incentives for each measure, and educate staff on how to identify even more energy efficiency opportunities.

Small Business Program

We offer our small business customers substantial incentives to help cover the cost of energy- efficiency projects. From no-cost lighting assessments to expert recommendations, we'll provide everything you need to help you take control of your energy use—and your bottom line.

STEPS TO PARTICIPATE

1. Sign and submit the participation agreement to enroll.
2. Call 844-413-3065 to speak with a Program Administrator, who can help you discuss energy efficiency opportunities.
3. Schedule a pre-installation inspection.
4. You will receive a summary report of findings at your facility, including energy-saving opportunities and potential savings.
5. Sign and submit a Project Application to define projects to be completed and reserve incentive funds.
6. Complete projects defined in the Project Application.
7. Notify Program Administrator of project completion and schedule post-inspection if required.
8. Receive your incentives from OG&E Arkansas and look forward to future years of energy savings.
9. After completing the project and receiving incentives, you may be contacted by an independent evaluator to verify information gathered by the Program and/or to review on-site equipment installation.

OG&E ARKANSAS ACCEPTANCE OF AGREEMENT

OG&E Arkansas (OG&E AR) has contracted with CLEAResult to sponsor, promote and administer the Large Commercial & Industrial, Schools and Government, and Small Business Programs.

_____, (herein referred to as "Participant") recognizes that it is a willing participant of these Programs, which are designed to help lower OG&E AR utility bills and free up operating dollars.

This Participant Agreement reflects the voluntary collaboration between your organization and the OG&E AR - sponsored Programs mentioned above. The terms below detail the general commitments of the Participant in order to improve the energy efficiency of their facilities. Please note that specific terms and conditions of each Program is more fully described in the applicable Program Manual. The applicable Program Manual will be available for the Participant once the Program Administrator has selected the appropriate Program options for a specific Participant.

The Program Administrator agrees to provide services to the Participant with the understanding that the Participant will exert its best efforts to implement cost-effective energy efficiency recommendations. Projects submitted to the program must be completed and submitted to CLEAResult by no later than December 10th of the appropriate program year to receive incentive funds and allow time for post-installation inspections.

To participate in this Program, you will need to understand and agree to these terms:

1. Participant acknowledges that the appropriate Program Manual may be made available and that they will abide by the terms and processes set forth in this document.
2. Participant will identify a contact person to work with the Program throughout the term of this Agreement. They will work with the Program to identify, assess and implement cost-effective energy efficiency measures.
3. The Program will reserve incentive funds for eligible energy-saving projects and will pay the Participant monetary incentives based on projects completed within each Program year.
4. Participant will make its best effort to complete and submit relevant Project Application forms, including necessary supporting documentation for each project, in a timely manner. The Project Application process is required in order to reserve financial incentives for projects.
5. Participant acknowledges that, as part of its participation in these Programs, it will maintain eligibility to receive Program services and incentives from the date of this Participation Agreement until December 31st of the appropriate program year.

By endorsing below, your organization accepts this agreement with OG&E Arkansas

This Agreement should be signed by your organization's Director, President or similar executive authorized to enter into such agreements. If Participant wishes to end its participation in these Programs, it may do so at any time by providing the Program Administrator written notice of its intentions.
