

## ENERGY SAVINGS THAT WORK HARD FOR YOU

OG&E's Commercial Energy Efficiency Program offers financial incentives when energy-efficiency measures are implemented at large commercial facilities like yours. We'll provide a free and easy energy assessment to help you identify and financially qualify for potential energy savings projects that could even include little or no-cost solutions.

To make reducing your energy costs even easier, we also offer significant incentives for each energy-efficiency upgrade installed. Incentives are available for the following measures:

- HVAC – DX Retrofit
- HVAC – DX New Construction
- Chiller Retrofit
- Chiller New Construction
- PC Power Management
- LED Lighting Retrofit
- Lighting New Construction
- Linear Fluorescent Retrofit with Delamp
- Vending Misers
- Door Heater Controls
- ECM Evaporator Fan
- Electronic Defrost Controls
- Solid Door Reach-Ins
- Strip Curtains
- Night Covers
- Cooler Door Gaskets
- Lighting Controls
- Lodging Occupancy Controls
- Compressed Air
- Combined Custom Measures
- Retrocommissioning
- Operational
- Variable Frequency Drives
