STATE OF OKLAHOMA
Code No. 44

OSL Code	Specification
UG	Underground wiring will be available at the above rate plus \$5.62 per month where the amount of required buried cable does not exceed, on the average, 150 feet per pole. An amount payable in advance and without right of refund shall be charged equal to the average installed cost per foot of buried cable times the footage in excess of 150 feet per pole.
HSP	If a hand-set pole is required due to the inaccessibility of the pole location, an additional charge of \$377.60 will be required. This additional charge will only cover labor items, not material.
TR	If any additional trenching is required, due to the hand-set pole, the price will be \$3.07 per foot plus applicable material charges. These charges shall be paid to the Company in advance of construction and without the right of refund.

C. ORNAMENTAL TYPE LIGHTING FIXTURES: The following standard ornamental or decorative type of lighting fixtures with underground wiring are offered by the Company to supply lighting for specific applications:

Ornamental Lighting					
OSL Code	Lumens	Specification	Price of Fixture on Existing Wood Distribution Pole	kWh	Watts
OL1	9,500	High pressure sodium contemporary post top luminaire on 19' steel pole (OGE Standard D540)	\$18.54	41	100
OL2	25,000	High pressure sodium contemporary post top luminaire on 24' steel pole	\$24.68	107	250

Where the amount of required buried cable exceeds an average of 150 feet per fixture, an amount equal to the average installed cost per foot of buried cable times the footage in excess of 150 feet per fixture shall be paid to the Company in advance of construction and without the right of refund.

ADDITIONAL FACILITIES: If additional facilities other than listed above are required, the customer shall pay an additional monthly charge equal to 1.5 percent of the installed cost of such additional facilities.

Where an underground system is installed, and paving or other obstructions, such as rock, etc., exist, the customer shall be required to perform all trenching, install duct furnished by the Company, backfill, and replace the paving to the satisfaction of all parties concerned or pay an amount equal to this additional cost of construction to the Company in advance and without right of refund. In lieu of such payment in advance and subject to approval by the Company, the customer may elect to pay to the Company a monthly charge equal to 1.5 percent of the additional cost of construction.

SPECIAL OR NON-STANDARD FACILITIES: Whenever the customer requests the Company to install special or non-standard facilities hereunder and there is no engineering, construction, safety, legal or practical reason which would, in the Company's judgment, make such installation inadvisable, the Company will make such installations provided the customer pays to the Company, in advance and without right of refund, an amount equal to the difference between the installed cost of the special or non-standard facilities and the installed cost of comparable standard facilities. The monthly rate shall be as stated above for the comparable standard facilities.

In lieu of such lump sum payment in advance and subject to approval by the Company, the customer may elect to pay to the Company a monthly charge equal to 1.5 percent of the additional difference between the installed costs as stated above.

A standard fixture shall mean those fixtures approved and shown in OG&E Construction Standards.

INSTALLATION OF UNITS: The Company's standard lighting fixture shall consist of the following type and size. Other types and sizes of lighting fixtures shall not be available for new installations:

Lumens	Type
9,500	High Pressure Sodium
15,500	High Pressure Sodium
25,000	High Pressure Sodium
50,000	High Pressure Sodium
140,000	High Pressure Sodium
14,000	Metal Halide
21,000	Metal Halide
36,000	Metal Halide
100,000	Metal Halide

LATE PAYMENT CHARGE: A late payment charge in an amount equal to 1.5 percent of the total balance for services and charges remaining unpaid on the due date stated on the bill shall be added to the amount due. The due date as stated on the bill shall be 20 days after the bill is issued.

FRANCHISE PAYMENT: The above stated rates do not include any amount for franchise payments levied upon the Company by a municipality.

When a municipality, by a franchise or other ordinance approved by the qualified electors of the municipality, levies or imposes upon the Company franchise payments or fees (based upon a percent of gross revenues) to be paid by the Company to the municipality, such franchise payment will be added as a percentage of charges for electric service to the bills of all customers receiving service from the Company within the corporate limits of the municipality exacting said payment.

- 1) The customer shall furnish to the Company, without cost to the Company and on forms suitable to it, all rights, permits and easements necessary to permit the installation and maintenance of the Company's facilities on private property where and as needed by the Company in providing service hereunder.
- 2) The facilities furnished by the Company shall remain the property of the Company.
- 3) The facilities for lighting hereunder shall be installed at a mutually agreeable location on the customer's premises. The location shall be accessible to Company trucks when the length of the support bracket exceeds four feet, the luminaries exceeds 11,500 lumens or the pole is of such type or material which will not permit the use of lineman's climbers.
- 4) In any case which would necessitate an excessive expenditure for a long extension or special facilities, the Company may require a guarantee of revenue or a prepayment sufficient to justify the necessary expenditure.

BURNING SCHEDULE: The standard schedule shall be for dusk-to-dawn service and shall include approximately 4,200 hours of service per year. The Company will use reasonable care to maintain such service, but the Company will not be obligated to patrol to determine required lamp replacement or other maintenance of the facilities used for service under this schedule. Upon notification of any outage or required maintenance of such facilities, the Company shall be allowed a reasonable length of time to restore normal service during regular working hours.

RIDERS: All applicable riders apply. Please refer to the Applicability section of individual Riders to determine if it is relevant to this Pricing Schedule.

TERM: The customer shall contract for service on the standard contract form for a period of not less than three years. A written contract may be required at the discretion of the Company.
