2. **Nondiscrimination.** The Seller with regard to the work performed by it under this Order, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of sublessees, including procurements of materials and leases of equipment. The Seller will not participate directly or indirectly in the

discrimination prohibited by the Acts including employment practices when the Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. **Solicitations for Subcontracts, including Procurements of Materials and Equipment.** In all solicitations, either by competitive bidding or negotiation made by the Seller for work to be performed under this Order, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Seller of the Seller's obligations under this Agreement and the Acts on the grounds of race, color, or national origin.

4. **Information and Reports.** The Seller will provide all information and reports required by the Acts, the Nondiscrimination Regulations ("Regulations") listed in the Acts, and the directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Trust or the Federal Aviation Administration to be pertinent to ascertain compliance with such Acts and instructions. Where any information required of a Seller is in the exclusive possession of another who fails or refuses to furnish the information, the Seller will so certify to the Trustees of the Oklahoma City Airport Trust or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance.** In the event of a Seller's noncompliance with the nondiscrimination provisions herein, contract sanctions as Buyer, Trust or the Federal Aviation Administration may determine to be appropriate, may be imposed including, but not limited to:

The Seller will take action with respect to any subcontract or procurement as Buyer, Trust or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided that if the Seller becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Seller may request the Trust to enter into any litigation to protect the interests of the Trust. In addition, the Seller may request the United States to enter into the litigation to protect the interests of the United States.

12. FORCE MAJEURE

Seller intends for the foregoing protection, defense, hold harmless, and indemnity obligations to apply regardless of cause and regardless of the theory of recovery, including strict liability and any negligence, including partial sole negligence of the indemnified parties. Seller assumes all risks of damage or injury to Seller's own property or personnel, from whatever cause.

14. INFRINGEMENT

Seller shall hold harmless, defend and indemnify Buyer, its parent, affiliates and its and their respective employees, officers and directors from and against all claims, demands, losses or damages, costs or expenses (including attorneys' fees and other expenses incident thereto) arising out of any infringement, or any alleged infringement, of any intellectual property rights, including rights arising under any patent, copyright, trademark, license and trade secret, in connection with any Material, Work Product, or Services, except to the extent any infringement resulted from designs provided by Buyer to Seller. Without limiting the foregoing, the Seller shall, at its own expense: (i) procure for the Buyer an irrevocable royalty-free license or right to continue using such Materials, Work Product or Services, (ii) with Buyer's prior written approval, replace the infringing Material, Work Product, or Services with substantially equal but non-infringing Materials, Work Product or Services, or (iii) with Buyer's prior written authorization, modify the infringing Materials, Work Product or Services so it becomes non-infringing; provided that no such replacement or modification shall in any way amend or relieve Seller of its warranties and guarantees set forth in this Order.

15. LIENS

Seller will pay all amounts owed to its subcontractors and suppliers as and when due. Seller will ensure that its subcontractors and suppliers do not file any liens, claims, security interests, or other encumbrances against any property owned or otherwise occupied by Buyer. Within ten (10) days of receipt of notice from Buyer that one of Seller's subcontractors or suppliers has filed a lien, claim, security interest, or other encumbrance against any property owned or otherwise occupied by Buyer, Seller will clear such lien, claim, security interest, or other encumbrance by payment or by bond. If Buyer is paying Seller in compliance with this Purchase Order, Seller will not file any liens, claims, or other encumbrances against any property owned or otherwise occupied by Buyer. If Seller files a lien, claim, security interest, or other encumbrance against any property owned or otherwise occupied by Buyer, Seller will clear such lien, claim, security interest, or other encumbrance of record within ten (10) days of receipt of payment of the amount due from Buyer.

16. NONWAIVER

No waiver by any Party of any condition, or of any breach of any provision contained in this Order, in any one or more instances, will be deemed to be or construed as a further or continuing waiver of any such condition or breach or waiver of any other condition or of any breach of any other provision.

17. PRICE; INVOICING; PAYMENT

The Materials, Work Product or Services shall be subject to Buyer's right of inspection and rejection at any reasonable time before or during the manufacturing process or provision of Service and within forty-five (45) days after delivery to destination or completion. The making or failure to make any inspection, approval, payment or acceptance of the Materials, Work Product or Services shall in no way impair Buyer's right to reject or revoke acceptance of non-conforming Materials, Work Product or Services or to avail itself of any other remedies to which Buyer may be entitled, notwithstanding Buyer's knowledge, the substantiality, or the ease of discovery of any non-conformity. If any time prior to one (1) year from the date of completion of any Services, or the earlier of one (1) year from the date of installation or eighteen (18) months from receipt of any Materials or Work Product if the Materials, Work Product or Services, or any part thereof, do not conform to these warranties or the specifications, Seller shall promptly correct such nonconformity to the satisfaction of Buyer at Seller's sole expense; failing which, Buyer may proceed to make corrections or accomplish Seller's work by the most expeditious means available, and the costs of cover or correction shall be for Seller's account. Seller's liability hereunder shall extend to all damages proximately caused by the breach of any of the foregoing warranties, including incidental damages such as removal, inspection, costs of return, warehousing and reinstallation.
