

STANDARD PRICING SCHEDULE: IRR
INTERIM RATES RIDER

STATE OF OKLAHOMA

EFFECTIVE IN: All territory served.

DESCRIPTION: The purpose of this Interim Rates Rider (IRR) schedule is to collect from customers the change in base rates requested by the Company in Cause No. PUD 202300087.

APPLICABILITY: This interim rate adjustment is applicable to the Oklahoma retail rate classes as shown below. The annual revenue requirement for all non-lighting rate classes will be collected via a per kilowatt-hour (kWh) rate and shall be applied to all kWh sales except those exempted under specific tariffs or special contract provisions. The annual revenue requirement for all lighting rate schedules will be collected via a monthly per lighting fixture rate and shall be applied to all lighting fixtures except those exempted under specific tariffs or special contract provisions.

TERM: The IR rider factors will continue until new rates are implemented following a Final Order in Cause No. PUD 202300087.

REFUND: If the Commission, in Cause No. PUD 202300087, determines that a refund is appropriate and necessary, the refund will be credited to customers through this rider in a manner approved by the Commission.
