

We Energize Life

OG&E Gas Transportation Technical Conference

Bidders' Technical Conference

August 21, 2023

Meeting Procedures

- OG&E will go through the following Request For Proposal (“RFP”) presentation
- Bidders can submit questions through the Q&A feature on the Teams menu. The meeting will not be open for verbal questions.

- When submitting a question, please include your name and organization with each question
- OG&E will respond to questions after the slide presentation is complete

Agenda

- Safety Moment
- Introductions
- Brief Review of Key Terms
- Requirements for Bidding
- Gas Transportation bid request
- Request for Proposal (“RFP”) Timeline
- Questions

Key Terms

- **Terms**
 - 5 -10 Year Term for Plants except for Horseshoe Lake Plant Unit 8
 - Pipeline/Supply Region Diversity > 20 years
- **MDQ's**
 - MDQ's vary by plant but are the same for all 12 months
- **Type of Service Requested**
 - Firm Service, with storage, cash-out, or daily balancing
- **Plant Retirement Provisions**
 - Consideration for the reduction of MDQ and associated costs for early retirement of a generation resource
- **Each plant must be bid individually**
 - Bidders may submit an additional bid that aggregates plants that they bid on individually

Requirements for Bidding

- Firm Gas Transportation and Storage Service Agreement (Attachment 3)
- Confidentiality Agreement (Attachment 4)
- Bidder Acknowledgment Form (Attachment 5)
- Bidders Proposed Pricing (Attachment 6)
 - Needed to help expedite the evaluation process
 - Excel template available

Confidentiality

Bids submitted in response to this RFP, and any contracts resulting from this RFP, will be treated as confidential. Nonetheless, Bidders should be aware that information received in response to the RFP may be subject to review by applicable regulatory agencies. Information submitted in response to the RFP may become subject to federal or state laws pertaining to public access to information as a result of any reviews conducted by the Oklahoma Corporation Commission (“OCC”), the Arkansas Public Service Commission (“APSC”), and the Federal Energy Regulatory Commission (“FERC”). As such, Bidders should clearly designate all sensitive information as “Confidential.” Except as required by regulatory reviews, OG&E will use reasonable efforts to avoid disclosure of such confidential information to persons other than those involved with the evaluation, selection and any subsequent negotiations.

RFP Q&A procedures

RFP Questions and Answers:

Prospective Bidders are encouraged to submit questions related to this RFP via email at fuels@oge.com on or before the September 29, 2023, Bid submission deadline. All questions, and responses to those questions, will be posted to the “RFP Website” ([OG&E - Suppliers & Contractors \(oge.com\)](https://www.oge.com/OG&E-Suppliers-Contractors)) within five (5) business days after receipt of the question, to the best of OG&E’s capabilities. Questions submitted are not treated as confidential; answers may be shared for the benefit of other interested parties via the RFP Website. However, Bidder names and organization will not be included in question-and-answer material posted to the RFP Website.

RFP Submission

RFP Submittal Procedures:

For the submission of proposals and accompanying documentation, please send them to ogefuelrfp@oge.com. Kindly refrain from including any OG&E members in your bid proposal, as submissions sent to any other email address may lead to disqualification. The submission deadline for proposals and supporting documentation is on or before September 29, 2023.
