

We Energize Life

OG&E Gas Transportation Technical Conference

Bidders' Technical Conference

November 15, 2023

Meeting Procedures

- OG&E will go through the following Request For Proposal (“RFP”) presentation
- Bidders can submit questions through the Q&A feature on the Teams menu. The meeting will not be open for verbal questions.

- When submitting a question, please include your name and organization with each question
- OG&E will respond to questions after the slide presentation is complete

Agenda

- Safety Moment
- Introductions
- Brief Review of Services Requested
- Requirements for Bidding
- Gas Transportation bid request
- Request for Proposal (“RFP”) Timeline
- Questions

Types of Services Requested

- **Terms**
 - 15-20 Year
- **Plants**
 - Horseshoe Lake Units 11 & 12
 - Tinker 1 & 2
- **MDQ's**
 - OG&E has requested an expansion option to bid separately from the primary bid that would allow for volumetric expansion should additional generating assets be necessary at the site at a future date.
 - OG&E requests that this bid be a doubling of the original volume requested with all other specifications remaining as listed
- **Type of Service Requested**
 - Firm Service, with storage, cash-out, or daily balancing

Types of Services Requested

- **Each plant must be bid individually**
 - Bidders may submit an additional bid that aggregates plants that they bid on individually
 - Additionally, bidders may combine bids in response to this RFP with services already under contract or planned to be under contract with OG&E as a means to offer additional cost-benefit to OG&E customers.

Requirements for Bidding

- Attachment 3 - Firm Gas Transportation and Storage Service Agreement
- Attachment 4 - Confidentiality Agreement
- Attachment 5 - Bidder Acknowledgment Form
- Attachment 6 - Bidders Proposed Pricing
 - Provided in Excel format to help expedite the evaluation process

Confidentiality

Bids submitted in response to this RFP, and any contracts resulting from this RFP, will be treated as confidential. Nonetheless, Bidders should be aware that information received in response to the RFP may be subject to review by applicable regulatory agencies. Information submitted in response to the RFP may become subject to federal or state laws pertaining to public access to information as a result of any reviews conducted by the Oklahoma Corporation Commission (“OCC”), the Arkansas Public Service Commission (“APSC”), and the Federal Energy Regulatory Commission (“FERC”). As such, Bidders should clearly designate all sensitive information as “Confidential.” Except as required by regulatory reviews, OG&E will use reasonable efforts to avoid disclosure of such confidential information to persons other than those involved with the evaluation, selection and any subsequent negotiations.

RFP Q&A procedures

Prospective Bidders are encouraged to submit questions related to this RFP via email at fuels@oge.com on or before the January 5, 2024, Bid submission deadline. All questions, and responses to those questions, will be posted to the “RFP Website” ([OG&E - Suppliers & Contractors \(oge.com\)](http://OG&E - Suppliers & Contractors (oge.com))) within five (5) business days after receipt of the question, to the best of OG&E’s capabilities. Questions submitted are not treated as confidential; answers may be shared for the benefit of other interested parties via the RFP Website. However, Bidder names and organization will not be included in question-and-answer material posted to the RFP Website.

RFP Submission

For the submission of proposals and accompanying documentation, please send them to ogefuelrfp@oge.com. Kindly refrain from including any OG&E members in your bid proposal, as submissions sent to any other email address may lead to disqualification. The submission deadline for proposals and supporting documentation is on or before January 5, 2024.

Questions

All additional questions regarding the RFP should be submitted to:
